### Method

Peel and finely slice the garlic, deseed and finely slice the chilli and pick the coriander leaves and finely slice the stalks. Drain and finely chop the peppers.

In a large frying pan, heat a splash of oil and fry the garlic, chilli and coriander stalks for 1 to 2 minutes, or until golden.

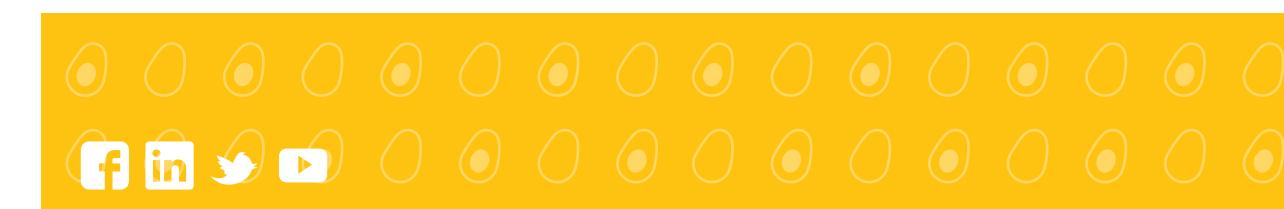

### Ingredients

2 cloves of garlic  
1 fresh red chilli  
1 bunch of fresh coriander  
1 small jar of roasted peppers  
Olive oil  
3 x 400g tins of beans, such as cannellini.  
4 large free-range eggs  
1 lime

Drain the beans, then add along with the peppers, then season to taste. Fry for 15 to 20 minutes on a low heat, stirring occasionally, until crispy.

Poach the eggs. Finely chop the reserved coriander leaves, and cut the lime into wedges.

Serve a spoonful of beans topped with a poached egg, chopped coriander leaves and a wedge of lime for squeezing over.
